

UNIVERSITY OF EXETER
College of Engineering, Mathematics and Physical Sciences

ECM3401: Individual Literature Review and Project

PROJECT SELECTION FORM

Name of Student	
Signature of Student	
Project Title	
Provisional Supervisor (NOTE: Depending on staff loadings, you may be allocated a different supervisor for this or a related project)	
Signature of Provisional Supervisor	You can leave this section blank but cc your provisional supervisor as an e-signature/agreement when you email the completed form back.
Please indicate any specific hardware and/or software resources likely to be needed by this project, and whether this is available within the College.	
Please indicate whether you will be using any of your own equipment for the project.	
Will this project involve any ethical issues? If so, please give details. (See the section on Ethical Issues in the ECM3401 ELE page.)	
Is this a staff-suggested project or your own idea? If it is your own idea, please ATTACH a 200–400 word description of the project.	

The completed form must be emailed to Dr. Sareh Rowlands (S.Rowlands@exeter.ac.uk) by the end of July 2021.
